Mr. Mark Duxter
Director of Quality & Safety
Dearborn Mid-West Company
20334 Superior Road
Taylor, MI 48180

Dear Mr. Duxter:

Congratulations, Dearborn Mid-West Company has been awarded a 2015 Thomas J. Reynolds Award for construction safety and health from The Association of Union Constructors (TAUC)!

These prestigious safety awards recognize the outstanding achievements of our members to minimize the number of work site accidents, injuries and illnesses to their employees. To be eligible for an award, your DART rate had to be below 1.50 which is 25% below the most recent Bureau of Labor Statistics (BLS) national average of 2.0. Based on your application and OSHA logs, your DART rate was 0.00 and you will be recognized with a zero DART Award.

These awards will be presented at the 2016 TAUC Leadership Conference taking place May 3 – 6 at the Ritz-Carlton Golf Resort, Naples, Florida. The awards luncheon will be held on Wednesday, May 4th. **If you would like your company to be recognized in the program at the awards luncheon, a representative from your company must be a registered conference attendee.** If you haven't already done so, please make arrangements for a company representative to attend the Leadership Conference.

As a winner of the Thomas J. Reynolds Award, we have extended our conference early bird pricing for you through April 4, 2016. To register for the conference, visit www.tlc2016.org and click "REGISTER NOW" or contact our Meetings and Events Manager Gwen Jackson at (703) 524-3336 ext 111 or via email at gjackson@tauc.org. Regardless of attendance, awards will be shipped to all winners following the conference.

As an award winner, we wanted to let you know that sponsorship opportunities still exist for the awards luncheon and will remain available to you until March 29th. Sponsors will have signage at the luncheon, on-site during the conference and their logos will be in the conference program and on marketing materials. Please see the attached form and check "Safety Award Luncheon" to reserve a sponsorship or contact Mike Dorsey directly at 703-524-3336 ext 122 or via email at mdorsey@tauc.org.

Again, congratulations on this honor and thank you for your company's commitment to worksite safety and health. I look forward to seeing you in Naples!

Very truly yours,

Tom S. Felton
President
